

DATA SHEET

Composition	shredded textiles + bio-based binder
Dimensions (cm) these dimensions may vary slightly	20x10
Thickness (cm) these dimensions may vary slightly	2
Volumic mass (kg/m³)	500
Surface	porous
Color	9 standards colors or custom colors (no added colors)
Pattern	3 patterns available: plain, terrazzo and gradient
Finish	optional varnish (highly recommended if subject to rubbing)
Sound absorption coefficient (NF EN ISO 11654)	0,45
Thermal conductivity (W/mK) (NF EN 12667 : 2001)	0,085
Reaction to fire classification (NF P92-501 : 1995)	M2 (possibility of M1)
Emission of volatile organic compounds	A+ French label
Care	gentle vacuuming every 3 to 5 months
Sorting instructions	possibility of reintroducing scraps into production
Production	Made in Paris

This data sheet cancels and replaces the previous ones. Please ensure that it is still valid. Any use or application of materials that does not comply with the rules set out in this document releases the manufacturer from all liability, including joint and several liability (art.1792-4 of the French Civil Code).
